**Telecommunications Division
Carrier Branch**

**RESOLUTION T-16952
August 25, 2005**

R E S O L U T I O N

**RESOLUTION T-16952. Voluntary revocation of Certificates
of Public Convenience and Necessity held by ten (10)
companies.**

Summary

This resolution revokes, at the request of the companies, Non-Dominant Interexchange Carrier (IEC/IER) and Competitive Local Carrier (CLC) Certificates of Public Conveniences and Necessity (CPCNs) held by the 10 companies listed in the Discussion Section.

Background

The ten (10) companies listed in the Discussion section below were certificated by the Commission in their specified markets. All required tariffs were filed.

Each company has stated in a letter or advice letter to the Commission that it no longer has any customers and that it requests revocation of its CPCN.

Discussion

The companies that would be revoked by this resolution are the following:

<u>Utility Type</u>	<u>CPCN#</u>	<u>Company Name</u>
IEC	5270	Qwest Communications Corporation
IEC	5287	Capsule Communications, Inc.
IEC	5581	Cal-One Cellular, L.P.
IEC	5803	Teligent Services, Inc.
IEC	5853	Cypress Telecommunications Corporation
IER/CLR	6008	Choctaw Communications, Inc.
IER	6387	Northwest Microwave Incorporated
IER	6634	United Systems Access Telecom, Inc.
IER	6734	Axius Communications
IER	6898	PLDT US Retail Incorporated

The Telecommunications Division (TD) recommends that these requests for revocation be granted and that the companies' Utility Identification Numbers be cancelled.

This is an uncontested matter in which the resolution grants the relief requested. Accordingly, pursuant to PU Code Section 311 (g)(2), the 30-day period for public review and comment is being waived.

Each of the above companies has submitted a letter or an advice letter to the Commission requesting revocation. There is no reason to deny this request since these companies report that they have no customers and there are about 700 long distance and 300 competitive local carriers authorized to do business in these markets.

Findings

1. The companies on the above list were certificated by the Commission in the indicated markets.
2. The companies requested by letter or advice letter that their CPCNs be revoked.
3. The companies' CPCNs should be revoked and their Utility Identification Numbers should be cancelled in cases where they hold no other CPCNs.

THEREFORE, IT IS ORDERED that:

1. The Certificates of Public Convenience and Necessity granted to the following companies are revoked:

<u>Utility Type</u>	<u>CPCN#</u>	<u>Company Name</u>
IEC	5270	Qwest Communications Corporation
IEC	5287	Capsule Communications, Inc.
IEC	5581	Cal-One Cellular, L.P.
IEC	5803	Teligent Services, Inc.
IEC	5853	Cypress Telecommunications Corporation
IER/CLR	6008	Choctaw Communications, Inc.
IER	6387	Northwest Microwave Incorporated
IER	6634	United Systems Access Telecom, Inc.
IER	6734	Axius Communications
IER	6898	PLDT US Retail Incorporated

The Utility Identification Numbers issued to these companies are canceled (in the cases where they hold no other CPCNs) and will not be reissued.

This Resolution is effective today.
